

# PUREHOPE

*arming families to navigate our sexualized culture*

## ➤ what we do

pureHOPE is a ministry committed to providing biblical resources on identity and sexuality that are often counter-cultural. At all stages of life, we want you to be equipped and empowered to be the 'go-to' person for your children to have healthy conversations about God's design for sexual wholeness.

## ➤ why does this matter

We live in a sexually broken culture that mars the image of God and undermines the wholeness of individuals and families. Men, women, and children are bombarded by perverted images, new definitions, and ever-changing 'cultural norms' that are contrary to God's intended design.

We are here to remind you that no matter our ever-changing cultural landscape, there is hope in the unchanging Word of God— a beautiful and meaningful purpose in His design for sexual wholeness.
